COURSE OVERVIEW:

Christian leadership is not an occupation – it is a calling. God is not looking for charismatic, strong, attractive people – He is looking for surrendered servants. Popularity is not leadership. A title or corner office does not make a leader. Christian leaders must be godly men and women called of God, equipped to serve, and committed to stewarding God’s Kingdom plans.

Christian leaders are filled and directed by the Holy Spirit, steadfast in the face of opposition. and unrelenting in the midst of spiritual inertia. Spiritual leadership is moving people onto God’s agenda. How does a Christian leader fulfill the call to move people

forward to embracing God's agenda for their lives? This online Bible course will explore Jesus' model of spiritual leadership and how to follow it.
