FULLY EQUIPPED BIBLE INSTITUTE

Executive Leadership Biography Sheet

Equipping Pastors. Strengthening Churches. Transforming Nations.

Fully Equipped Bible Institute (FEBI) is a nonprofit Christian higher education institution dedicated to addressing the global shortage of biblically trained pastors and Christian leaders through accessible, affordable, and academically rigorous online degree programs. FEBI's leadership team combines decades of ministry, higher education, nonprofit leadership, business, and global missions experience.

DR. VICTORIA ISAAC

President & Co-Founder

Dr. Victoria Isaac is a Christian educator, ministry leader, author, speaker, and nonprofit executive with more than two decades of experience leading mission-driven organizations, developing Christian leaders, and expanding ministry impact through strategic leadership, biblical discipleship, and organizational excellence.

As President and Co-Founder of Fully Equipped Bible Institute, she leads the institution's mission to equip pastors and Christian leaders throughout the developing world with accessible, affordable, and academically rigorous biblical higher education. Her passion for discipleship and leadership development has led her to teach through the Bible chapter by chapter and verse by verse for more than fifteen years while mentoring Christian leaders nationally and internationally.

Dr. Isaac has ministered and taught extensively in Zimbabwe, South Africa, Botswana, Eswatini, and Mexico, working alongside pastors, church leaders, and ministry organizations to strengthen biblical leadership and discipleship. These experiences helped shape her vision for FEBI and its mission to remove barriers that prevent Christian leaders from obtaining quality biblical education.

She has served as an adjunct professor at both Colorado Christian University and Grand Canyon University, teaching Christian leadership, ethics, sociology, psychology, and marketing. She has also developed curriculum and leadership training programs used in churches, universities, and nonprofit organizations.

In addition to her academic leadership, Dr. Isaac is an accomplished nonprofit executive and communications strategist. She has served as Director of Communications for Jewish Voice Ministries International and the Arizona Department of Child Safety and has successfully led major organizational growth initiatives, fundraising campaigns, media relations programs, and strategic partnerships. Throughout her career, she has helped organizations expand mission impact while building strong cultures of servant leadership.

Dr. Isaac holds a Doctor of Ministry in Christian Education, a Master of Education in Human Relations and Counseling, and a Bachelor of Science in Organizational Sociology. Her lifelong calling is centered on equipping believers to lead like Jesus through biblical discipleship, servant leadership, and spiritual formation.

DR. JOHN HODGSON

Chairman of the Board

Dr. John McB. Hodgson is an internationally recognized cardiologist, educator, author, ministry leader, and advocate for Christian leadership development.

A graduate of Dartmouth College and a tenured Professor at Case Western Reserve University, Dr. Hodgson built a distinguished medical career as one of the world's leading interventional cardiologists. Following his retirement from medical practice, he has devoted his time to leadership development and supporting Christian ministries around the world.

As Chairman of the Board of Fully Equipped Bible Institute, Dr. Hodgson provides strategic leadership and governance oversight while helping advance FEBI's mission of equipping pastors and Christian leaders globally.

His extensive ministry involvement includes service on numerous Christian nonprofit boards and participation in mission work throughout Haiti, Russia, Ghana, Nigeria, Benin, Eswatini, South Africa, and other nations. He is passionate about restoring Christian values in leadership, healthcare, education, and ministry while helping develop servant leaders who will impact future generations.

Dr. Hodgson currently serves on the Board of Directors for The Agora Group and as Chairman of both Hope Education Foundation and Fully Equipped Bible Institute. He is actively engaged with leadership development initiatives through Maxwell Leadership and EQUIP.

He and his wife, Dinah, have been married for more than four decades and remain actively involved in Christian missions and leadership development around the world.

DR. STEPHEN ISAAC

Academic Vice President & Co-Founder

Dr. Stephen Isaac is a pastor, author, educator, mentor, and ministry leader who has spent more than forty years serving the Church and developing Christian leaders.

As Co-Founder and Academic Vice President of Fully Equipped Bible Institute, Dr. Isaac provides academic leadership and curriculum oversight while helping shape the institution's commitment to biblical fidelity, theological excellence, and practical ministry preparation. With over forty years of pastoral experience, Dr. Isaac is attuned to the spiritual and practical equipping that pastors need to be effective.

Known to many as "The Missionary Man," Dr. Isaac hosted Salem Broadcasting's nationally syndicated radio program Radio Hope, using media to share the Gospel and encourage believers across the nation.

His influence extends well beyond traditional ministry settings. As a former nationally ranked powerlifter, eight-time Arizona State Champion high school football coach, and chapel speaker for professional athletes in the NFL, NBA, and MLB, Dr. Isaac has spent decades engaging people both inside and outside the Church with the message of Jesus Christ.

Dr. Isaac has ministered extensively throughout Zimbabwe, South Africa, Uganda, Botswana, Eswatini, and Mexico, equipping pastors, church leaders, and believers through biblical teaching, leadership development, discipleship, and missions outreach. His international ministry experience has provided firsthand insight into the challenges facing pastors and churches in developing nations and reinforces his commitment to expanding access to biblical higher education through FEBI.

His teaching emphasizes historical and linguistic accuracy in biblical interpretation and a steadfast commitment to preserving the original intent of Scripture. He is passionate about helping students understand God's Word within its historical, cultural, and theological context while applying biblical truth to contemporary life and ministry.

Dr. Isaac describes his life's calling through the Latin phrase *cura animarum*—"care of souls." He continues to serve as an author, professor, mentor, pastor, and trainer of Christian leaders throughout the United States and internationally.
