CREDIT TRANSFER POLICY

The Fully Equipped Bible Institute permits up to 90 transfer credits for a bachelor's degree (minimum 30 FEBI credits). A grade of "C" or higher is needed for transfer; pass/fail or ungraded courses are not accepted, except that a Pass may be accepted when FEBI establishes that the originating institution defines it as achievement equivalent to at least a C (see Evaluation of Prior Learning and Credit from Unaccredited Institutions, Section VII). A maximum of 84 lower-division (100-200 level) credits can count. At least 36 upper-level (300-400) credits are needed for a bachelor's, and at least 50% of the student's major must be completed at FEBI. Credit awarded through prior learning assessment does not count toward the minimum FEBI credits. Students who transfer 60 or more credits toward a bachelor's degree must complete at least 18 credits of Bible and theology at FEBI.

FEBI communicates each transfer-credit decision in a written evaluation within ten business days of receiving the student's documents. A student who disagrees with a decision first submits a written appeal to the Registrar; if the matter cannot be resolved with the Registrar, the student may appeal in writing to the Vice President of Academic Affairs within 30 days of the Registrar's decision.
